midhunvijayansmail@gmail.com | <https://bit.ly/midhun-portfolio>

Creative and detail-oriented graphics designer with over three years of experience in designing visual content. I want to apply my skills in graphic design to create impactful visuals, elevate brand identities, and drive business success in a dynamic professional setting. Skilled in Adobe Creative Suite, typography, color theory, and visual storytelling.

PROFESSIONAL EXPERIENCE

DOCK PRODUCTIONS

Graphics Designer

Kochi, Kerala

July 2024–Present

- Enhanced product photos and marketing visuals through expert photo retouching, improving image quality for online and print use.
- Led brainstorming sessions with cross-functional teams to translate creative briefs into visually appealing designs.
- Managed project timelines and ensured on-time delivery of high-quality work, consistently meeting client expectations.
- Created launch materials, including packaging designs, email graphics, and social media ads, which increased initial product adoption rates

FLAT EARTH MEDIA

Graphics Designer

Dubai, UAE

Nov 2023–Feb 2024

- Designed marketing collateral, including brochures, posters, and digital ads, leading to an increase in customer interactions.
- Collaborated with marketing teams to create promotional materials, including social media graphics, newsletters, and web banners.
- Met with clients to understand project requirements and exceeded their expectations by delivering high-quality designs

HEXEAM SOFTWARE SOLUTIONS

Graphics Designer

Kozhikode, Kerala

Sept 2021–Oct 2023

- Assisted senior designers in creating website layouts, product mockups, and digital content for social media channels.
- Supported the development of visual elements that adhered to brand guidelines and client specifications.
- Enhanced image-editing and graphic design skills, becoming proficient in Adobe Illustrator, Photoshop, and InDesign.
