- Xiaomi Technology India Private LimitedMAY. 2022 - JUNE2024

Senior Graphic Designer

 - Led campaign handling for prominent e-commerce platforms such as Amazon, Flipkart, and Mi.com, ensuring effective promotion and increased sales.
 - Created preheat pages, banners, and GIFs to generate customer interest and anticipation, resulting in a 25% increase in click-through rates and a 15% boost in conversion rates.
 - Managed timely refreshes of launch event banners, maintaining a visually appealing and engaging online presence, which led to a 10% increase in website traffic during product launches.
 - Collaborated with the online sales team, product marketing, category managers, and brand representatives to ensure seamless coordination and alignment of campaign strategies, achieving a 20% improvement in campaign performance.
 - Developed compelling A+ content and optimized product pages, resulting in a 30% increase in customer engagement and a 12% rise in sales for featured products.
 - Conducted thorough analysis of competition launch banners and catalogue images, providing valuable insights for developing impactful and differentiated marketing campaigns, resulting in a 15% increase in market share.
 - Stayed abreast of industry trends and competitor activities, identifying new ideas and innovative approaches for product promotions, leading to a 10% improvement in campaign effectiveness.
 - Collaborated with internal stakeholders to design banners and creatives for various product categories, including phones, laptops, TVs, and ecosystem products, ensuring consistent brand messaging and visual aesthetics across all platforms.
 - Successfully created and implemented launch banners, KV banners, CLP banners, GIFs, hero fitter creatives, and product page designs, effectively capturing customer attention and driving sales.
- Aspiration Advertising AgencyAUG. 2021 - APRIL. 2022

Graphic Designer

 - ITC Grand Central: Designed and delivered over 60 promotional creatives for Instagram and Facebook, resulting in increased brand visibility and engagement, driving a 20% growth in social media followers and a 15% boost in website traffic.
 - Hilton Goa Resort: Successfully designed and produced 50+ creatives, including flyers, hoardings, social media posts, and banners, resulting in enhanced brand recognition and increased footfall. Additionally, created captivating videos using Canva for Instagram reels, effectively engaging the target audience and generating a 10% increase in social media interactions.
 - Lizze's Aspen Spa: Took the initiative to develop a fully functional website from scratch using WordPress, showcasing the spa's services and offerings. Additionally, designed visually appealing business cards, gift vouchers, shopping bags, and service cards, resulting in a cohesive and professional brand image, contributing to a 15% increase in customer inquiries and bookings.
 - Pilates For Wellbeing: Currently working on developing a website using WordPress for Pilates For Wellbeing, aligning the design with the brand's identity and creating an engaging online presence for potential clients.
 - Infosys: Collaborated with the executive team by creating design elements for the office walls and editing PowerPoint presentations given by the CEO during shareholder meetings. Ensured a visually impactful presentation and improved communication of key information, resulting in positive feedback from stakeholders and shareholders.
