OBJECTIVE

To leverage my expertise in graphic design, specializing in albums, flyers, business cards, brochures, flex, and branding product identity, combined with my experience in digital printing operations, machine maintenance, prepress management, and quality analysis. I aim to contribute to efficient workflows and exceptional product delivery in a dynamic design and printing environment.

GHSS Kumaranellur

📅 2005 📍 India – Kerala, Palakkad

INTEREST

EXPERIENCE

Indigo digital lab Nigeria

📅 07/2016 – 02/2024 📍 Lagos, Nigeria

Leveraged graphic design skills to create flyers, calendars, business cards, achieving high client satisfaction with visually striking designs. Operated advanced digital printing equipment (Canon C750, Noritsu 32/24 Pro, HP Indigo 5600) at Indigo Digital Lab, ensuring on-time delivery of high-quality prints. Managed prepress operations, streamlining workflows and ensuring accuracy and quality in print goods production. Ensured top digital print quality as Quality Analyst by implementing rigorous quality control procedures, enhancing lab's reputation. Managed inventory as Storekeeper, optimizing supply organization and stock levels to support productivity.

Redex Photobook

📅 09/2013 – 05/2016 📍 India – Kerala, Malapuram, Kuttipuram

As a graphic designer in Kerala, India, I have learned priceless professional tricks that have greatly improved my ability to create visually appealing designs. By fully embracing Kerala's dynamic culture and rich artistic heritage, I've picked up cutting-edge methods for layout, typography, and color theory. The area's unique fusion of modern and traditional design features has had a significant impact on my creative process, enhancing my career development and widening my outlook on design.

Alukka Color Lab

📅 03/2009 – 06/2011 📍 India – Kerala, Edappal

I've picked up studio-quality retouching skills and specific advice for creating passport-sized photo albums as a graphic designer in Kerala, India. These abilities have enhanced my repertory and capabilities in design by helping me to produce album layouts that are both visually appealing and compact, as well as to do professional-level photo editing.

Surya Digital

📅 02/2007 – 04/2008 📍 India – Kerala, Edappal

Through this training, I was able to discover the principles of design, experiment with different creative approaches, and progressively hone my visual communication abilities. It sparked my enthusiasm for creative expression and provided a strong foundation for my graphic design career.
