ABOUT ME

Confident, passionate, and creative graphic designer with extensive experience working with both print & digital media. Deadline-oriented individual with seven-plus years of experience in the graphic design industry. exceptional attention to detail and a passion for delivering projects on time. Well-versed with most programs within the Adobe Creative Suite, particularly Photoshop, Illustrator, InDesign, and CorelDRAW.

And also a Graphic Design Faculty with Patient and easygoing person with strong interpersonal skills and a creative thinker, giving me more ideas to help develop innovative and interactive lesson plans that engage students.
