WORK EXPERIENCE

Maple Tech Space

2023 - PRESENT

Senior HR Executive

- Led end-to-end recruitment for India and Canada, collaborating with team leads, creating job descriptions, posting on platforms, screening candidates, and managing the interview and selection workflow.
- Managed comprehensive HR operations for employees in both India and Canada, covering all core HR functions.
- Handled onboarding procedures, including document collection, system setup, and communication with new hires and relevant teams.
- Conducted exit interviews, inductions, and other offboarding processes.
- Managed salary verification, TDS calculation, PF coordination, and Hubstaff verification, working closely with finance for payroll accuracy.
- Administered the resignation process, overseeing exit interviews, document verification, and updating master sheets and hierarchy charts.
- Implemented policies such as background verification (BGV), new hire feedback forms, and a confirmation policy.
- Spearheaded annual appraisals, facilitating self-appraisals, manager feedback, and coordinating salary increments.
- Played a key role in employee engagement, organizing committee meetings, office events, team meetings, and providing counseling sessions.
- Managed the HR team, supporting them in various HR functions.
- Coordinated with designers and content teams for social media presence, handling office event postings.
- Collaborated with admin to ensure timely completion of office-related tasks.
