

SUMMARY

I am a passionate and driven HR executive with 3+ years of IT industry experience, complemented by strong HR capabilities in talent acquisition, onboarding and employee relations. Proven track record in managing end-to-end recruitment processes for both IT and non-IT roles, including sourcing, screening, interviewing, and onboarding top talent. Demonstrated ability to collaborate cross-functionally and contribute to organizational goals through effective HR practices. Committed to fostering a positive workplace culture and driving employee engagement.

PROFESSIONAL EXPERIENCE

HR Executive

SayOne Technologies pvt ltd | 2022 February – Present

- **Full Recruitment Lifecycle Management:** Managed the recruitment lifecycle for IT and non-IT positions, ensuring timely and effective hiring while executing various HR generalist functions to support organizational goals.
- **Comprehensive Hiring and Onboarding:** Planned and implemented effective hiring and onboarding procedures for new employees, enhancing their integration and experience within the company.
- **Diverse Candidate Sourcing:** Developed and promoted job postings across multiple social media platforms to attract a diverse candidate pool. Sourced potential candidates through LinkedIn and Naukri, building a strong talent pipeline.
- **Candidate Evaluation:** Conducted pre-screening calls to evaluate candidates' skills and suitability, facilitating interviews using a mix of assessment methods to determine qualifications and fit.
- **Recruitment Outreach Initiatives:** Coordinated walk-in drives and group discussions to enhance recruitment outreach and engage potential candidates effectively.
- **Compliance and Documentation Management:** Managed employee filing and documentation processes to ensure compliance with organizational policies and regulations.
- **Payroll Management Experience:** Successfully overseen payroll processes in an IT product development company, ensuring accurate and timely compensation for employees.
- **Employee Engagement Activities:** Organized and executed initiatives aimed at strengthening workplace culture and enhancing employee engagement.

Operations Management Internship

Apollo Adlux Hospital | August 2020 - October 2020

- Coordinated departmental functions including data management, data collection for MIS, queue management, assisting patients with health check-ups, and managing the patient feedback process.
