## Objective

Motivated Human Resource Management graduate with hands-on experience in recruitment, talent acquisition, and employee engagement. Proficient in HRMS tools, candidate screening, and managing recruitment processes. Seeking an entry-level HR role to leverage my strong interpersonal, organizational, and multitasking skills to support talent management and foster a positive work culture.

---

## Key Strengths

- **Strategic Recruitment & Talent Acquisition:** Proven ability to source, screen, and onboard top talent across various platforms.
- **Operational Efficiency:** Expert in developing SOPs and streamlining processes for recruitment and event management.
- **Employee Engagement & Event Management:** Skilled in organizing morale-boosting activities and corporate events that enhance team dynamics.
- **HR Technology Proficiency:** Proficient in HRMS tools like Zimyo for candidate tracking, data management, and insightful reporting.
- **Crisis Management & Leadership:** Successfully handled high-pressure recruitment situations, ensuring optimal hires and seamless operations.
- **Communication & Coordination:** Strong skills in facilitating smooth operations through effective internal and external communication.

---

## Experience

- **Way dot Com** April 2024 - October 2024  
Front Office Manager & HR coordinator - HR & Admin

### *HR Coordination & Recruitment*

- **Conducted successful recruitment drives:** Coordinated full-day recruitment events, managing both the hiring panel and candidates, resulting in seamless, high-quality hiring processes.
- **Developed recruitment SOPs:** Created and implemented a strategic recruitment SOP and checklist, reducing the hiring cycle time and optimizing recruitment accuracy.
- **IT Recruitment Expertise:** Led multiple IT recruitment drives, sourcing candidates for various IT roles such as software development, IT support, and technical positions, significantly enhancing the technical workforce.
- **Achieved 100% success rate in hiring customer support roles:** Sourced candidates via Indeed, sending personalized invitations to 17 candidates—all of whom were successfully hired for customer support positions
  1. Reference: Joysen Frenandez, Manager Customer Support
  2. Reference: Rajeswari Menon, Senior Content Manager
- **Led specialized recruitment efforts:** Conducted recruitment drives for content writers and operations staff, hiring 3 content writers and 2 operations staff members through targeted recruitment campaigns.
  1. Reference: Manu R. Nair, Operations Manager
  2. Reference: Simon Kuriakose
- **Recognized for managing high-pressure recruitment situations:** Created and implemented a strategic

SOP to handle urgent recruitment needs under high-stress circumstances, earning significant appreciation from leadership.

### ***Event Management & Employee Engagement***

- **Excelled in event management:** Organized and managed several corporate events, including a success party, Onam celebration, and employee engagement programs. Developed SOPs for these events to ensure smooth execution and earned recognition for leadership in planning and coordination.
- **Boosted employee morale:** Introduced “Fun Friday” and other team-building activities, resulting in improved employee engagement and a more positive workplace environment.

### ***Front Office Operations***

- **Managed front office operations:** Supervised day-to-day front office tasks, ensuring smooth communication with clients, vendors, and visitors while managing phone calls, email correspondence, and visitor logs.
  - **Trained and guided front desk staff:** Provided training and leadership to front office team members to maintain professional standards and effective communication.
  - **Ensured operational efficiency:** Created and implemented Standard Operating Procedures (SOPs) for front office activities, contributing to better workflow and higher levels of service delivery.
  - **Supported corporate events:** Assisted in managing front desk logistics during corporate events, ensuring seamless visitor handling and administrative support.
  - **Managed office supplies and inventory:** Coordinated with vendors and staff to maintain adequate stock levels of office supplies, ensuring seamless front office operations.
