Quick Introduction

Proficient in several areas of HR management, including recruitment, employee relations, performance management, HR policies and procedures, and organizational development. I have a passion for creating positive workplace cultures that foster employee engagement, productivity, and retention.

Efficient in managing full-cycle recruitment processes, collaborated with hiring managers to develop effective job descriptions and job postings, and implemented onboarding programs that ensured new employees were set up for success.

Overall, I'm confident that my HR skills, experience, and dedication to creating positive workplace cultures make me a valuable asset to any organization.
