Work- Experience:

Sales and Marketing Specialist

L4Jobs (Tech Job Board, USA)

Remote, Night Shift - US Market

Nov 2023 to Present

Responsibilities:

- Conducted sales and marketing activities for a tech recruiting platform like Dice.com and Indeed.com, focusing on B2B and B2C sectors.
- Managed client relationships, primarily within the US market, working remotely during night shifts from India.
- Networking with in-house recruiters, recruiting agencies, and C-level leaders to build business relationships.
- Responsible for updating sales progress using Zoho CRM and noCRM.io, ensuring accurate and timely reporting of key metrics.
- Utilizing lead generation tools like Apollo.io, ZoomInfo, and LI Sales Navigator to drive outreach and networking.
- Provided strategic insights and feedback to guide the development team in enhancing the functionality and user experience of the job board.
- Conducted manual testing of the job board in coordination with the development team before each release to ensure quality and performance.
- Spearheaded digital marketing efforts through Meta Ads Manager and LI Campaign Manager, collaborating with cross-functional teams, including the digital marketing department, to target tech industry professionals, increase brand visibility, and drive lead generation for improved sales performance.
- Conducted regular sales meetings with internal sales and marketing teams to discuss market analysis, competitive landscape, and strategies for optimizing sales and marketing efforts.
- Generated analytical reports for sales performance and participated in monthly meetings with the CEO to discuss sales and marketing performance, as well as platform improvements.

Achievements:

- Spearheaded outreach initiatives that increased inbound leads by 25% within the first 6 months, resulting in higher engagement with tech recruiters and hiring agencies.
- Achieved a 45% growth in client acquisition by optimizing lead generation processes using Apollo.io, ZoomInfo, and Sales Navigator, enhancing the efficiency of sales outreach.
- Consistently met or exceeded monthly sales targets, contributing to the overall revenue growth of the platform.
- Developed custom sales funnels and strategies tailored to specific recruiter needs, leading to a 37% boost in conversion rates.
- Trained and mentored junior team members on best practices for client relationship management and sales strategies, enhancing the overall performance of the sales team.
- Enhanced client retention by 75% through personalized follow-up and engagement strategies, building long-term relationships with key stakeholders.
- Played a key role in improving platform user experience by analyzing user feedback and translating insights into actionable development priorities.
- Increased social media engagement by 63% through the execution of targeted SMM campaigns on LinkedIn, Facebook, and other relevant platforms.

Sr. Business Development Associate

Think & Learn Pvt. Ltd. (Byju's)

Onsite - Kerala

Mar 2022 to Nov 2023

Responsibilities:

- Drove B2C sales initiatives for India's premier EdTech platform, serving in roles such as direct sales associate, inside sales associate, and center sales associate.
- Led outbound sales efforts, focusing on cold calling and direct outreach through tools like Ameyo to expand the client base and enhance brand visibility.
- Conducted both direct and virtual demos of Byju's products, using Zoom and Google Meet, tailoring presentations to meet the specific needs of potential customers.
- Successfully engaged in upselling and cross-selling activities, contributing to overall revenue growth.
- Worked across multiple districts in Kerala, including Trivandrum, Kollam, Alappuzha, Kottayam, and Ernakulam, conducting in-person sales and demos.
- Consistently met key performance indicators, such as call time and demo parameters, contributing to individual and team success.
- Collaborated with cross-functional teams, particularly the pre-sales team, to guide effective lead qualification processes.
- Traveled extensively to support the direct sales model, delivering high-impact presentations to both PX (premium) clients and ordinary clients, ensuring client satisfaction and fostering long-term relationships.
- Generated and submitted sales reports to the RM and SM using LeadSquared and GSheet, ensuring accurate tracking of sales performance.
- Played a pivotal role in providing market insights to the marketing team, optimizing outbound campaigns, and conducting direct lead generation activities, resulting in a steady pipeline of qualified prospects and improved lead generation effectiveness.

Achievements:

- Awarded as one of the Top 20 performers in South India, recognizing contributions to overall business growth.
- Maintained a high Average Revenue Per User (ARPU) rate, reflecting effective upselling and cross-selling strategies.
- Achieved a high Customer Retention (Cx) rate, ensuring long-term satisfaction and loyalty among clients.
- Attained 200,000 WRPS in the Inside Sales model, showcasing the ability to meet and exceed sales targets.
- Handled Team Lead (TL) responsibilities through performance, mentoring junior associates and driving team success.
- Successfully closed 100+ customers, contributing significantly to the company's growth and market presence.
- Maintained a consistent high performance throughout tenure, successfully avoiding the Performance Improvement Plan (PIP) process.
- Achieved a demo to conversion ratio of 80% in Direct Sales (DS) and 60% in Inside Sales (IS), showcasing strong effectiveness in converting leads into customers.
- Achieved a cold call sales ratio of 35%, successfully closing deals solely through phone outreach without the need for demos.

Responsibilities:

- Specialized in B2B IT products, notably arc@ (formerly CBMS++), a core banking solution tailored for the cooperative banking sector, and ERP products for the health domain.
- Collaborated with the Sales Director to discuss and achieve quarterly targets and yearly commitments, ensuring alignment of sales strategies and performance metrics.
- Conducted consortium meetings to align project objectives and encourage collaboration among potential users (prospective clients), aimed at generating additional business opportunities.
- Built and maintained relationships with government officials to enhance lead generation and increase the success rate of proposals.
- Actively traveled throughout the Kerala market to build relationships and engage in contract bidding processes, successfully winning contracts.
- Collaborated with cross-functional teams to ensure high levels of client satisfaction and successful onboarding of large accounts.
- Developed marketing materials and presentations to effectively communicate product benefits and features to prospective clients.
- Fostered long-term relationships with clients, driving cross-selling and upselling initiatives to maximize revenue.
- Responsible for proposal preparation, documentation, and generating comprehensive sales reports.
- Conducted thorough market research to identify emerging trends, competitive landscape, and potential growth areas, informing sales strategies and product development.
- Maintained detailed records of sales activities, client interactions, and market research to ensure transparency and support decision-making processes.
- Focused on the Kerala market, coordinating business meetings and executing cold calls to secure appointments.
- Utilized Zoho CRM for efficient client and lead management.
- Organized and led client training sessions to ensure effective product utilization and satisfaction.
- Implemented feedback mechanisms to gather client insights, facilitating continuous improvement in service delivery.

Achievements:

- Major Clients: Successfully managed key accounts, including the Kerala State Co-operative Housing Federation Limited (HOUSEFED), Peringandoor Service Co-operative Bank, and Kalamassery Service Co-operative Bank, achieving a proposal success ratio of 82% with these clients.
- Attained a contract bidding winning ratio of 10:4, demonstrating strong competitive positioning
- Achieved a 36% conversion rate for the arc@ product.
- Attained a 44% conversion rate for ERP products.
- Achieved an impressive client retention ratio of 87%.
- Successfully generated and qualified high-quality leads, contributing to a 25% increase in lead conversion rates.
- Delivered a new website to 74% of existing clients and developed a comprehensive website directory.
- Reached a 52% conversion rate for the arc@ Mobile App with existing clients.
- Successfully met and exceeded commitments for the 2019-2020 financial year.
