Summary

I love Sales and Marketing.

Started my professional journey as an "Executive Educational Consultants" in Campus India Bangalore. Have Assisted 50+ Students into good professional career courses.

Skill I acquired: Lead generation through Referrals, Marketing Analysis, Cold Calling, and Closing Deals.

Then, I Joined Geojit as "Junior Sales Executive". I managed Geojit clients portfolio and assisting clients queries related to Indian Financial Share Market Updates and News.

Skill I acquired: Sales Management, Up-selling, Customer Relation Management and Sales Documentation.

At this around at the year 2015, I shifted my professional vertical from sales and ventured towards Information Technologies and started learning Android Development.

Got an Opportunity to work with a project Devote Inc as "Android Developer" where I was a supporting the Android Application for an year and I really understood that I am not a tech related guy.

Skills I acquired: Time Management and Technical jargons.

This is the point where I understood that I love Meeting people and helping them with the solution or knowledge I can share.

I moved back into Sales and Marketing as a "Business Development Officer" for Invisor Global Inc where I was in Managing I.T sales and strategies.

Skills I acquired: Networking, Territory Management and Business Analytics.

Then I Joined as "Business Development Manager" in Tecrizon Labs Com and later got promoted as "Sales and Marketing-Head". My

job profile was marketing the company services and product and expanding the market reach of the company.

Skills I acquired: Research, Product Demo Skills, Team Management, Pitching and Sales Planning.

At the Year for 2018, With the skills acquired and a learning mind.

I started "Dajac Technologies Pvt Ltd" a Digital Marketing Firm to help businesses acquire a online branding thus growing there Business...
