ABOUT ME

Results-driven Business Development and Digital Marketing professional with over 6 years of experience in driving sales, enhancing brand presence, and managing marketing campaigns. Skilled in leveraging tools like Sales Navigator, Upwork, and Google Analytics to identify opportunities and optimize marketing strategies. Proficient in coordinating between teams, managing projects, and implementing effective marketing initiatives to achieve business objectives.

WORK EXPERIENCE

LabGlo Technologies LLP Techno Park Remote

Business Development Manager

Dec 2023 - Present

- **Sales Strategy Development:** Expertly utilized Sales Navigator to connect with prospects, driving increased lead generation and overall sales.
- **Market Research:** Conducted extensive Upwork research, identifying key contacts and successfully bidding on high-value projects, contributing to an increase in international contracts.
- **Partnership Management:** Partnered with international representatives, facilitating collaborations that expanded market reach into new regions.
- **Marketing Collaterals:** Developed and refined marketing materials, including brochures, presentations, and online content, improving client engagement.
- **Client Coordination:** Set up and led meetings for partners in the USA, ensuring seamless communication and project alignment across different time zones.
- **Social Media Management:** Spearheaded social media campaigns, leading to increased brand visibility and follower engagement.
- **Project Management:** Coordinated between clients and the Project Management Team, conducting and monitoring scrum meetings to ensure project milestones were met on time.
- **Resource Allocation:** Managed staff augmentation planning, effectively assigning tasks to bench resources, and optimizing team productivity.
