PROFILE SUMMARY

With nearly 9 years of experience in Business Development, Sales & Marketing, Market Research, Analytics & Consulting, I bring expertise in diverse areas such as Sales Strategy, Proposal Management, and Entrepreneurship. My skill set includes managing P&L responsibilities, executing end-to-end B2B and B2C projects, and demonstrating strong negotiation and influencing abilities in cross-selling to corporate superannuation clients. I actively contribute to strategy reviews and excel in primary research, client briefing, proposal and questionnaire design, field surveys, and qualitative analysis. With excellent interpersonal, analytical, and negotiation skills, I am adept at driving business growth and success.
