Sales And Marketing Education

Bhartiar University

Coimbatore

SAI CHARAN GANGA

Summary

To work in a reputed organization and looking for as much exposure as possible inside any business. This will assist me in putting my academic knowledge into practice and in resolving issues, planning, and decision-making. After acquiring all of the essential skills and information, I want to further build my career by founding my own company. Dynamic sales executive, leader and consultant with 4+ years of combined experience boosting revenues, growing market share and expanding territories for a wide range of organizations. Skilled in building top-performing sales forces via development and rollout of comprehensive training programs, providing staff with the knowledge, resources, strategies and motivation to surpass objectives. Accomplished in the cultivation of productive relationships that result in new business, top brand loyalty and enhancements in competitive performance.
