Professional Summary:

As an MBA Post Graduate I started my career over 10+ years ago as a sales Executive and have since worked my way up to become a business development manager, managing a variety of sales-related responsibilities. Sales representatives are the principal point of contact between a business and its customers. Sales reps ensure current customers have the right products and services, identify new markets and customer leads, and pitch prospective customers. Driven sales expert with a history of exceeding team and individual sales goals. Seeking a role at Industries as a sales representative to apply my skills in sales techniques and market research. searches for chances to apply sales and persuasion techniques to exceed targets and convert leads into devoted clients in a challenging work environment. A creative, motivated, and adaptable salesperson looking for opportunities to grow in the customer service industry. A salesperson with a strong emphasis on customer relationships, success-driven tactics, and client focus strategies for resolving issues and meticulousness. searches for chances to apply sales and persuasion techniques to exceed targets and convert leads into devoted clients in a rigorous work environment.

Work Experience:

Business Development Manager (BDM) - My First Office (Jan 2023 – till date)

Roles and Responsibilities:

- My First Office is a co-working company that will provide corporate offices to major MNCs like Phone Pe, Toppr, Byjus, and Zomato, up to 50 companies in total.
- I am also doing marketing consultancy here, and I will approach all corporate offices and discuss setting up offices for them.
- Additionally, I will create business and revenue for the company, as well as business operations, and I have corporate contacts with business consultancy, and corporate placement.
- We are also working on another project in Lansum Square, which is a 23rd floor commercial & Presidential building.
- We have taken up to six floors of corporate offices for Amazon, Zomato, and Eighth and Ninth corporate club house, which includes a gym, saloon & spa, banquet hall, and more.
- Researched prospective clients to develop and execute cold call lists. Planned and developed winning strategies to increase sales, expand territories and boost market positioning. Planned and developed winning strategies to increase sales, expand territories and boost market positioning.
- Created effective marketing, sales and promotional initiatives to drive revenue. Augmented sales value by upselling and cross-selling new products and services to existing customers.
- Coached and trained staff to comply with company policy and procedures. Developed business plans to establish revenue and growth. Researched trends to gather data and implement innovative strategies.
- Attended conferences and trade association meetings to represent company, build industry networks and promote new product lines. Closed long-term agreements through skilful negotiation.
