(link to the ad - <https://vimeo.com/333927243>)

2017-09 -
2017-10

UNESCO Funded Project Intern

Liza Van Der Stock, Mumbai, Maharashtra

- I was entrusted to interview, capture and edit the videos; capturing the transgenders in their daily life routines by Liza Van Der Stock, Belgian photographer and a Phd student doing her project in Antwerp University, Belgium.
- I am proud to say that I coined the word and logo idea for अ॒ब॒न॒ormal (Abnormal), our work dealt with documenting transgenders in India and conducting gender sensitivity workshops for adolescents in educating them on non discrimination of LGBTQ and that people are entitled to their gender identities regardless of their sex assigned at birth.
- I have edited a short video which has been sent to UNESCO , as this project is also funded by UNESCO.

2017-07 -
2017-07

Director

Tattwa School, Kochi, Kerala

- Directed the promo video for Tattwa a NIOS board school.
- Collaborating with the school and students in the making of the video,
- It was also my duty to make them educate the students how to create a short video and nuances of the basics of making a short video. It was an educational video to inspire the students

to join like streams in their future vocations

2016-09 -
2017-01

Associate Director

Arun Kunjunny, Trivandrum, kerala

As the associate director of the short film

- I was entrusted with the duties of post production and also coordinating the whole crew. I was in charge of coordinating editing, music, vfx and grading of the video.
- As the whole process of editing, music, vfx and grading was done in another city than of my employer and director, all the processes were coordinated and corrections were managed online with the director passing forward the message to me as the associate director. Same information was instructed to the respective teams regarding the corrections in an organised manner and work was done efficiently.

2016-06 -
2016-07

Intern

Mullenlowe Lintas, Mumbai, Maharashtra

Interned under Mr.Satyajit Ganu, the editor and in charge of the Films department at the agency.

- I attained the art of visually showing what is essential in a commercial in a particular time frame.
- Entrusted with making short videos for pre production meetings.
- I also apprenticed under Mr. Ripanka Kalita, was trained in the basics of copy writing and wrote scripts for a television commercials as well.

2015-06 -
2015-06

Sound Design Intern

Famous Studios, Mumbai, Maharashtra

It is a studio that provides various services starting from preproduction to specialised post production services interned under Mr. Darshan nair who was a sound engineer at the studio. I got hands on experience in sound design of television commercials in a professional studio environment.

2014-06 -
2014-06

Intern

The Local Network, Kochi , Kerala

It is an Advertising Agency in Cochin. It is associated with making campaigns for various brands, print ads

and movie posters. As an intern I was entrusted to conduct market research of ethnic Indian jewellery, assist in copy writing and collaborate with the marketing team to create new ideas for campaigns. As it was my first internship I was able to understand how an advertising agency works, its structure and work flow.

Education

2022-10 -
2023-05

Executive Program: Branding & Advertising

Indian Institute of Management (IIM) - Indore

2013-07 -
2018-04

Integrated M.tech: Film And Electronic Media Studies

Madurai Kamaraj University - Madurai

The academic course covers different aspects of film making during each semester. The course covers all aspects of film making in the first three years. Then in the next two we get to specialize in a specific area of our interest. It covered main areas like Photography, Cinematography, Script writing, Editing, Sound design, Direction, Short Film and Ad Film Making.

Specific software skill we have been trained on are Avid Media Composer and Protools 10.

FILMS THAT I HAVE WORKED IN

I have worked in few short films and album songs taking different roles in pre production, production and post production processes.

- **SCRIPT WRITING**

Written a script for a short film called 'Interstice'. It is about a group of friends trying to make it into the film industry, with the main protagonist having a condition where he writes his scripts in his sleep; dreaming. The genre is psycho - thriller.

(<https://www.youtube.com/watch?v=kHiE4kBebVM&list=PLEtYmfkJhN6KL035OpLWYU4WYHiE6dasl>)

- **DIRECTION**

Assistant directed a short film called " I felt it" (youtube link for the movie:

<https://www.youtube.com>

/watch?v=pAqND67Gl6c)

Have written, directed and sound engineered 2 short films

1. She knows not : This is a movie about Child abuse. Women and girls do not usually open up to such mishaps to anyone. This movie highlights one such incident where the child doesn't even realise that it is wrong.

(link : <https://drive.google.com/open?id=0B5jOdxL-f-i-NjAwVmQzX1ZhcFU>)

2. When will you : This is a movie related to Cochin city and the Waste management plans the Cochin development program had taken up. This film was screened as a part of World Environmental day, 2016 in High Court of Kerala, Ernakulam.

(<https://drive.google.com/open?id=0B5jOdxL-f-i-dVNNVXQ4d3NQaGs>)

- Senjaliyea : (Album song) Played the role as one of the Creative directors of the song

(<https://www.youtube.com/watch?v=j2gkLPJjz1o&t=295s>)

Achievements

- Won at Pepper Awards for Innovation in Ambient Media in 2022
- Bhima UAE has been running "My Kinda Jewellery" Campaign over the last 3 years consecutively in online and offline platforms.
- 'When will you', a short film I directed was released at the High Court of Kerala by the Mayor of Cochin, as a part of World Environment day 2012.
- 'She knows not', a short film I directed was well received and had positive reviews in various print and social media.
- Two of my photographs was showcased in Perspectives, a photography exhibition held in Trivandrum museum.
