OBJECTIVE : *I am a self-motivated woman with B.E in Electrical and Electronics and undergone a rigorous MBA program, where I built my skills in Sales, Marketing and Human Resource. I have also done B.Voc in Early Child Development from TISS.*

I use my creativity in any role I am in within the team. I take the day-to-day tasks and challenge the status quo to see where improvements can be made.

I use my communication skills with clients by keenly listening to them and retaining the information. This serves as valuable feedback in terms of customer satisfaction and performance.

I understand and realise the value of communication with the management as well as with my colleagues. I am working towards improving the same in order to avoid any instances of miscommunication.

I will work on helping others see that my drive is to the growth of the company. I will make sure that I demonstrate that I care for them.
