My Hobbies

I love exploring new places and meeting people who share my adventurous spirit. When I'm not out and about, you'll find me lost in a book or listening to music. Both are my rabbit holes to escape and unwind.

Content Management

Time Management

Collaboration

Communication

I am a writer. I write, therefore I am. I chose to be a writer because it’s my passion, desire and purpose. My mission in life is not merely to write but to touch hearts, to instil hopes and dreams into the souls of the readers, to invoke wonder and to leave the world a little better than I found it.

“To strive, to seek, to find, and not to yield.”
