

SANJU V

CREATIVE WRITER

ABOUT ME

Creative copywriter with 2 years of industry experience and 1 year of freelance experience, specializing in crafting engaging content for advertising campaigns, social media, YouTube, and video scripts. I've collaborated with both domestic and international brands, delivering projects that make a lasting impact. With a passion for storytelling, my short story has been featured at the Mathrubhumi International Festival of Letters. Now seeking opportunities to blend creative writing with other exciting aspects of visual storytelling.
