PROFESSIONAL EXPERIENCE

Remoli Ltd - London

Marketing Coordinator | Jan 2024 – April 2025

- **Revitalized email marketing campaigns** by designing and executing end-to-end strategies, including A/B testing for subject lines and personalized content. This approach led to a 12% increase in open rates and a 15% improvement in click-through rates, driving higher customer engagement and conversions.
- **Built a CRM platform from scratch**, creating detailed audience segments to enable precise targeting. This allowed for highly tailored campaigns that maximized ROI and strengthened customer relationships across multiple brands.
- **Collaborated with cross-functional teams** (product, design, and operations) to deliver integrated multi-channel campaigns that aligned with the brand's voice and business objectives. This ensured consistent messaging and a seamless customer experience.
- **Developed creative content strategies**, including engaging emails, blog articles, and social media posts, which fostered stronger audience connections and increased brand loyalty.
- **Streamlined promotional material production** by coordinating the timely delivery of branded merchandise for campaigns and events. This ensured high-quality materials were available to support product launches and marketing initiatives.
- **Analyzed campaign performance metrics** to derive actionable insights, refining future strategies to improve ROI and drive continuous growth in marketing effectiveness.

Hygiene Plus Company Ltd — London

Social Media Strategist | Jun 2022 – May 2023

- **Transformed CRM data into actionable insights**, designing targeted social media content that boosted email marketing conversion rates by 25%. This strategy enhanced customer engagement and drove measurable business outcomes.
- **Established a dynamic brand presence** across LinkedIn, Instagram, and Meta by creating visually striking and well-written posts. This effort resulted in significant follower growth and heightened engagement, solidifying the company's position in the market.
- **Collaborated with designers and copywriters** to develop content that aligned with the company's messaging and business goals, ensuring consistency and impact across all platforms.
- **Leveraged advanced analytics tools** to measure campaign effectiveness, identifying trends and optimizing strategies to maintain consistent growth in reach and engagement.

Byju's The Learning App (Think and Learn Ltd) — Bangalore

Senior Associate, Content Developer | Jun 2018 – Dec 2021

- **Created high-quality educational content**, including screenplays and image assets for various grades, as part of large-scale projects with Disney and Meta. By collaborating closely with the media team, I ensured the delivery of engaging and visually compelling materials that enhanced the learning experience.
- **Launched and grew Byju's YouTube channel**, leading a team of 10 to produce daily video content. This initiative significantly boosted trial-to-subscription conversion rates by engaging current and prospective users with compelling educational content.
- **Designed and executed data-driven CRM campaigns**, leveraging personalized email and push notification strategies to improve user engagement by 30%. Through A/B testing and competitor analysis, I optimized campaign performance and messaging for maximum impact.
- **Streamlined customer journeys** by collaborating with cross-functional teams (marketing, product, and tech), resulting in higher retention rates and improved user satisfaction.
- **Trained and onboarded new team members**, ensuring seamless integration into the team and enhancing overall productivity. Additionally, I played a key role in hiring top talent for the content creation team, supporting the organization's growth and content goals.
