OBJECTIVE

I am a digital marketing specialist with over four years of experience in the industry. I am well-versed in a variety of marketing channels, including search engine optimization (SEO), social media marketing, and Google ads. I am also an expert in using AI chatbots, such as ChatGPT and Google Bard. I used these tools to generate creative content, answer questions, and automate marketing tasks.

My work has helped businesses once I worked to achieve their marketing goals. I always looking for new ways to use AI chatbots to improve the effectiveness of marketing campaigns.
