ABOUT ME

I'm a content specialist with a strong base in storytelling, digital strategy, and video production. With a background in Media and Visual Communication, I've led content and brand efforts across education and media, turning ideas into impact. My work spans content creation, SEO, social media, and performance marketing, backed by hands-on skills in video editing, scripting, and team leadership. I bring a filmmaker's eye, a strategist's mind, and a deep love for culture. I believe great content isn't just made, it's felt.

Hippocampus Learning Centres Bengaluru	

At Hippocampus, I've led branding and marketing across three states, handling everything from content and social media to campaign strategy and execution. I've built and managed creative teams, run enrollment campaigns, set up lead funnels, conducted trainings, and rolled out key projects on the ground.

Key Contributions

- Led entire marketing department across 3 states
- Directed enrollment campaigns for the 2025–26 academic year
- Spearheaded curriculum and communication design
- Managed Design, Content & Social Media teams
- Coordinated across academics, sales, principals, trustees
- Built performance marketing funnels focused on conversions

Creative Edge

- System Thinking: Designed repeatable brand & lead-gen systems
- AI Integration: Piloted AI content, prompt workflows
- Founder Proximity: Direct report to CEO Umesh Malhotra
- Leadership Maturity: Mentored by visionary education leaders

"This role was not just about telling the brand story - it was about building trust at scale."

WORK EXPERIENCE

Head of Content - South and Bangla

Sept 2019 - Mar 2024

Josh Talks | Gurgaon

Content Curator → Malayalam Channel Manager → Head of South + Bangla Content

My journey at Josh Talks was one of steep growth and cultural immersion. I scaled from story curator to managing multi-language teams and delivering viral content with depth.

Career Highlights

- Scaled from a curator to leading 5 language teams in 11 months.
- Scaled from a solo curator to leading 5 language teams in 11 months.
- Oversaw 15+ team members across Malayalam, Tamil, Telugu, Kannada & Bangla with clear coordination.
 - Delivered end-to-end content lifecycle: Scripting, Production, SEO, Analytics with creative consistency.
 - Handled celebrity interviews, PR, and partnerships with warmth, clarity, and professionalism.
 - Drove channel growth through emotionally resonant, data-backed storytelling and audience insights.

Strengths I Leaned On

- Cross-Cultural Fluency: Deep understanding of regional psychology & language nuance.
- Team Leadership: Built high-trust teams that delivered consistently.
- Process Optimization: Systematized video production and publishing pipelines.
- Creative Grit: Helped teams unlock creative deadlocks with empathy and direction.

"Viral content isn't luck. It's resonance - and I specialize in making it real."

CORE STRENGTHS

Strategic Storytelling: I understand the nuances of tone, timing, and audience.

People Whisperer: I build trust - from grassroots speakers to C-suite leaders.

Creative-Tech Hybrid: I speak both languages - editing timelines and strategy decks.

Cultural Dexterity: I think regionally, act globally, and communicate across languages.

Obsessive Learner: From AI to audience psychology, I dig deep and stay curious.

Leadership by Osmosis: I've absorbed clarity, calm, and decisiveness from the best.

P.S. I have exceptional taste in music and cinema — not trivia, but a lens on the world. It shapes how I understand emotion and story, helping me create content that's not just watched, but felt.
