About Me

Result-oriented product marketing and product management professional with extensive experience in content marketing, social media strategy, and team collaboration. Skilled in conducting competitor analysis, market research, and identifying growth opportunities to drive business success. Proficient in strategic planning, campaign execution, and digital marketing initiatives across multiple platforms.

Expertise in Go To Market strategy (GTM), B2B marketing, and SaaS solutions. Adept at leveraging SEO strategies, marketing automation tools, and product analytics to optimize performance and enhance customer engagement. Experienced in graphic design using Photoshop to create compelling visuals that align with brand identity. Strong multitasking abilities, efficiently managing multiple projects under tight deadlines while delivering measurable results.
