

SILSAL ALI

Digital Marketing Specialist

📞 91 9020821298 ✉️ silsalali883@gmail.com 📍 Muvattupuzha, Ernakulam, Kerala

SUMMARY

Digital Marketing Specialist with **4.6 years of experience** in digital marketing, specializing in web development, social media marketing, and information systems. Proficient in optimizing marketing strategies to drive brand awareness, customer engagement, and conversion rates. Strong expertise in leveraging digital platforms and analytics tools to develop and execute data-driven campaigns that contribute to organizational growth and efficiency. Passionate about creating innovative marketing solutions and continuously improving online presence to meet business objectives.

EXPERIENCE

Digital Marketing Analyst

Trust Capital

📅 09/2024 - 06/2025 📍 Infopark, Kochi

- Specialized in delivering digital solutions for diverse clients, enhancing their online presence and brand visibility across global markets, including the **USA** and **UAE**.
- Managed social media presence on multiple platforms, including Instagram, Facebook, TikTok, LinkedIn, Twitter, and Snapchat, focusing on engaging audiences in the **USA** and **UAE** markets.
- Executed both paid and organic marketing strategies with targeted campaigns on Meta Ads (Facebook & Instagram) and Google Ads, specifically tailored to the **USA** and **UAE** demographics, driving conversions and leads.
- Optimized ad performance across five Google Ads and five Meta Ads accounts, driving engagement and growth for forex trading platforms, with an emphasis on the **USA** and **UAE** target audiences.
- Managed and maintained a **\$5,000** monthly paid campaign budget per account, running localized campaigns in the **USA** and **UAE**, ensuring effective ad spend management and maximizing ROI.

SEM Analyst

Ramms Advisor LLC

📅 05/2023 - 04/2024 📍 Dubai

- Managed end-to-end website and digital marketing operations for a Dubai-based business setup agency, ensuring a strong online presence and consistent lead generation.
- Utilized WordPress CMS for website management, including content updates, SEO optimization, and performance monitoring.
- Spearheaded multi-channel digital marketing campaigns across platforms including Meta (Facebook, Instagram) and Google Ads.
- Successfully managed **\$8,000** in ad spend for lead generation campaigns targeting both **UK-based** and **UAE-based** audiences, achieving measurable growth in qualified leads.
- Conducted continuous performance tracking and A/B testing to optimize campaign results, improve CTR, and reduce CPL.
- Coordinated the preparation and submission of business setup documents, including trade licenses, MOAs, and regulatory filings.
- Provided comprehensive support in Dubai business setup processes, ensuring compliance with **UAE** legal and licensing procedures.
- Collaborated with internal teams and clients to streamline communication, improve workflow, and ensure timely completion of setup milestones.

Digital Marketing Executive

Skymark Global Services Pvt Ltd

📅 08/2021 - 05/2023 📍 Kochi

- Conducted quality assurance (QA) during web development and deployment phases, ensuring website accuracy, functionality, responsiveness, and performance across devices and browsers.
- Managed Digital Marketing and Social Media Marketing strategies to boost brand visibility, engagement, and qualified lead generation.
- Executed and optimized paid advertising campaigns on Meta (Facebook/Instagram Ads) and Google Ads, handling a monthly budget of **₹25,000** to generate high-quality leads and improve ROI.
- Proficient in Content Management Systems (CMS) including WordPress, Wix, and Shopify, ensuring efficient site structure, SEO best practices, and smooth user experience.
- Collaborated with cross-functional teams (design, development, marketing) to ensure successful website launches, platform maintenance, and performance-driven digital campaigns.

Software Front-End Developer

Safecare Technologies Pvt Ltd

📅 01/2021 - 06/2021 📍 Kochi

- Worked as a Software Front-End Developer in a healthcare solutions company, focusing on developing intuitive and user-friendly web applications.
- Contributed to projects aimed at improving digital solutions in the medical field, enhancing functionality, and improving patient and healthcare provider experiences.
- Utilized front-end technologies such as HTML, CSS, JavaScript, and frameworks like React to develop responsive and efficient user interfaces.
- Collaborated with cross-functional teams including back-end developers and UI/UX designers to create seamless digital solutions for the healthcare industry.

KEY ACHIEVEMENTS

Digital Marketing Achievements

Completed a certified course in **Digital Marketing** and successfully applied the skills to manage and execute diverse digital marketing campaigns across platforms, resulting in significant growth in brand engagement, reach, and audience acquisition. Proficient in leveraging **SEO, SEM, social media marketing, and analytics** to drive performance-focused strategies that align with business goals.

Website Development Achievements

Successfully completed a comprehensive course in **Python Full Stack Development**, gaining hands-on experience in both front-end and back-end technologies. Leveraged this expertise to develop and launch multiple client-focused websites using WordPress, significantly enhancing website performance, user experience, and client satisfaction. Demonstrated strong proficiency in web development, deployment, and CMS customization, aligning technical solutions with business objectives.
