SOORAJ K R

Asst. Product Manager/Data Management

PROFESSIONAL EXPERIENCE

Asst. Product Manager

AGGERT Intl. Ltd. – Dubai, UAE

August 2023 – June 2025

- Led product development and market research initiatives across the GCC region.
- Managed the entire product lifecycle from ideation and development to launch and post-launch analysis. Ensuring timely delivery and adherence to quality standards.
- Collaborated with marketing and sales departments to convert product strategies into executable plans and its smooth implementation.
- Spearheaded major brand promotion activities across international trade shows.
- Coordinated marketing campaigns and digital strategies across the MENA region.

Marketing Executive

Steigens LLC – Dubai, UAE

August 2022 – August 2023

- Research potential markets and clients.
- Generate leads through networking, referrals, or online channels.
- Engage with clients to understand their requirements and provide suitable solutions for their corporate events.
- Engage in negotiations regarding contracts, terms, and pricing to finalize agreements.
- Manage vendor and customer relations to ensure high service standards.

Associate – Data Management

Buck Capability Centre Pvt Ltd – Kochi, India

July 2018 – January 2022

- Handled critical client data and documentation for global financial services.
- Implemented process improvements for data accuracy and regulatory compliance.

Business Associate

Conduent Business Services – Kochi, India

December 2016 – July 2018

- Supported back-office business operations for U.S. healthcare and insurance clients.
- Resolved client issues promptly and maintained process efficiency.
- Contributed to client satisfaction through process accuracy and speed.

CAREER OBJECTIVE

To be part of a thriving organization offering opportunities for career advancement and professional growth and which will enable me to augment the magnitude of my knowledge along with skill sets.

PROFESSIONAL PROFILE

Versatile and performance-driven professional with 8+ years of diverse experience across **India and the United Arab Emirates**, spanning **product management, marketing, and data operations**.

In India, developed a strong foundation in client servicing, data management, and business process improvement while working with leading firms such as Buck Capability Centre and Conduent.

Transitioned to the UAE market, where I progressed into marketing and product leadership roles, managing end-to-end product lifecycles, conducting market research, and leading brand activation at major international exhibitions. Known for strong cross-functional collaboration, strategic thinking, and a consistent track record of delivering measurable business impact across multicultural environments.
