PROFESSIONAL SUMMARY

Versatile and performance-driven professional with a strong foundation in team leadership, logistics coordination, and retail sales. Demonstrated success as a Team Leader at Birla Opus, overseeing team performance, ensuring operational efficiency, and driving productivity. Previously served as a Logistics Assistant, managing inventory flow, shipment tracking, and supply chain support. Early experience as a Sales Associate at Lenskart.com, delivering excellent customer service and achieving sales targets. Known for strong communication, problem-solving skills, and the ability to thrive in fast-paced, results-oriented environments.

KEY SKILLS

Team Leadership: Successfully led a team at Birla Opus, ensuring task delegation, performance monitoring, and achievement of daily production and delivery goals.

Logistics Coordination: Managed shipment tracking, dispatch schedules, and inventory documentation to streamline supply chain operations in the shipping industry.

Customer Service Excellence: Delivered personalized customer support at Lens kart, resolving complaints and enhancing customer satisfaction through effective communication.

Sales & Upselling: Achieved sales targets by promoting suitable eyewear solutions, understanding customer needs, and suggesting relevant upgrades or accessories.

Inventory Management: Oversaw stock levels, performed regular audits, and coordinated with warehouse teams to maintain accurate inventory records.

Order Fulfilment: Handled end-to-end order processing, from receiving orders to dispatching them, ensuring timely and error-free deliveries.

Problem Solving: Resolved on-ground issues related to deliveries, customer dissatisfaction, or team conflicts with practical, time-bound solutions.

Time Management: Balanced multiple responsibilities across sales, logistics, and team supervision roles, consistently meeting deadlines under pressure.

PROFESSIONAL EXPERIENCE

Team Leader | Birla Opus, Kerala, India

July 2024 – May 2025

- Led a team to achieve monthly and quarterly sales targets through effective team management and performance monitoring.
- Drove secondary sales by implementing focused sales strategies and monitoring distributor performance.
