WORK RESPONSIBILITIES

Client Relationship Management

- Fostered strong relationships with Retail, SME, and NRI banking clients through regular communication and personalized interactions.
- Conducted comprehensive client needs assessments to understand financial goals and provided tailored solutions to enhance client satisfaction.
- Collaborated with internal teams to streamline processes and deliver seamless service to clients, maintaining a positive client experience.

Customer Retention

- Developed and implemented proactive retention strategies to minimize client attrition and maximize customer loyalty.
- Monitored customer satisfaction metrics and initiated corrective actions based on feedback to enhance overall client experience.
- Conducted regular follow-ups and check-ins with clients to assess satisfaction levels and identify opportunities for service improvement.

Key (HNI) Account Management

- Managed a portfolio of high-net-worth clients, providing personalized financial advice and solutions to meet their unique needs.
- Conducted regular portfolio reviews and financial health assessments for key accounts, ensuring alignment with clients' long-term financial objectives.
- Monitored market trends and proactively advised key clients on investment opportunities and risk management strategies.

Cross-Selling and Upselling

- Identified cross-selling opportunities within the existing clients, promoting additional banking products.
- Executed targeted upselling campaigns, showcasing the benefits of premium banking services to clients.
- Tracked and reported cross-selling and upselling performance metrics, implementing adjustments to strategies based on market trends and client feedback.

New Client Acquisition

- Developed and executed new client acquisition strategies to expand the customer base in Retail, SME, and NRI banking segments.
- Conducted market research to identify potential clients and targeted outreach campaigns to attract new business.
- Collaborated with marketing teams to create impactful campaigns and promotional materials to attract and engage prospective clients.

Team Management

- Led and motivated a team of Relationship Managers, providing guidance and support to achieve individual and team targets.
- Conducted regular training sessions to enhance the team's product knowledge, sales skills, and client management abilities.
- Fostered a collaborative and positive team culture, ensuring effective communication and coordination among team members.

Business Development

- Identified and pursued business development opportunities in Retail, SME, and NRI banking segments.
- Established strategic partnerships and alliances to expand the bank's reach and enhance its service offerings.
- Collaborated with cross-cultural, multi-national teams to ensure optimal resource utilization and drive overall profitability.
- Collaborated with senior management to develop and execute business growth strategies aligned with the organization's overall objectives.
