

Shifana Sherin K

Business Development Executive

Kolakkunnath House, Chamravattom, Tirur malappuram | 9778533509 | shifanashamsudheen003@gmail.com

Summary

Shifana Sherin K is a motivated and results-driven professional with hands-on experience in business development and academic counselling. She has demonstrated expertise in client relationship management, strategic communication, and target-based performance, particularly in the education sector. With a proven track record at organizations like Redteam Hacker Academy and English Plus, she has consistently exceeded goals through personalized student support and strategic outreach initiatives. Shifana is passionate about guiding individuals toward academic and career success while contributing to institutional growth.

Work Experience

ACADEMIC COUNSELLOR

ENGLISH PLUS LANGUAGE ACADEMY

October, 2023 - October, 2024

As an Academic Counsellor at English Plus, I was responsible for providing comprehensive support to students in identifying and pursuing the right academic and career pathways. My role involved conducting personalized counselling sessions to understand students' goals, academic background, and interests, and guide them toward suitable programs. I collaborated closely with faculty and administrative teams to ensure a seamless support experience and maintained detailed records of student progress and feedback. I also played a key role in enhancing the overall counselling process by improving communication channels and contributing to student engagement strategies.

Key Responsibilities:

- Provided one-on-one counselling to students regarding academic choices and career planning.
- Assessed individual student needs and recommended appropriate courses and pathways.
- Maintained continuous support and follow-up with students throughout their learning journey.
- Worked with internal teams to improve student experience and retention.
- Ensured accurate documentation of counselling sessions and progress reports.

BUSINESS DEVELOPMENT EXECUTIVE

REDTEAM HACKER ACADEMY

October, 2024 - May, 2025

At Redteam Hacker Academy, I served as a Business Development Executive responsible for driving enrollment growth, building strong client relationships, and identifying new market opportunities in the cybersecurity education sector. My role required a strategic approach to outreach and sales, advising prospective students on the most suitable programs to align with their career goals. I collaborated closely with marketing and academic teams to align offerings with industry demand, consistently exceeding sales targets and contributing to the organization's expansion.

Key Responsibilities:

- Engaged with prospective students and guided them through the course selection and admission process.
- Built and nurtured strong relationships with clients, resulting in increased enrollment and referrals.
- Identified and pursued new business opportunities through outreach, partnerships, and lead generation.
- Collaborated with the marketing team to implement effective campaigns and promotional strategies.
- Achieved and surpassed monthly sales targets through consultative selling and strategic planning.

Skills

Communication

- **Active Listening:** Understood each student's unique academic needs and aspirations through attentive listening during counselling sessions.
- **Empathetic Communication:** Built trust with students by addressing their concerns with patience and understanding.
- **Guidance & Clarity:** Clearly explained complex academic pathways, course options, and career choices in a way that was easy for students and parents to understand.
- **Follow-up & Support:** Maintained regular communication with students to provide ongoing support and encouragement throughout their journey.

NEGOTIATION

- **Fee and Package Discussions:** Confidently handled fee structure discussions, offering flexible solutions to meet student needs while aligning with business goals.
- **Customized Solutions:** Negotiated course combinations or add-on services to convert hesitant leads into successful enrollments.
- **Objection Handling:** Addressed client concerns and hesitations effectively, finding common ground and closing deals.
- **Value Presentation:** Emphasized the long-term benefits of programs during conversations, helping clients see value beyond pricing.

Strong Organizational

- **Maintained Detailed Student Records:** Kept organized documentation of counselling sessions, academic plans, and student progress reports.
- **Scheduled & Prioritized Sessions:** Efficiently managed appointments, follow-ups, and academic events to ensure timely support for each student.
- **Coordinated with Teams:** Worked closely with faculty and administrative staff to streamline student services and maintain smooth operations.
- **Resource Planning:** Ensured relevant course materials and guidance resources were readily available for student use.

CONVINCING

- **Student Enrollment:** Persuasively communicated the value of cybersecurity programs, helping undecided prospects commit to enrolling.
- **Highlighting Career Benefits:** Presented the long-term advantages of courses, aligning them with individual career goals to influence decisions.
- **Turning Leads into Admissions:** Used confident, clear messaging to address doubts and convert initial inquiries into confirmed admissions.
- **Building Trust:** Gained trust quickly through honest, informative conversations — essential for closing deals in a competitive education market.
