## Summary

Experienced Senior Accounting Executive with 3+ years of expertise in SAP-driven financial operations, reporting, and process optimization. Assisted with GST filings and returns, and supporting credit analysis and risk assessment. Skilled in leveraging data analysis and forensic accounting techniques to uncover insights and strengthen financial controls. M.Com graduate in Accounting and Taxation committed to continuous professional development and that drive organizational success.

## Experience

### Senior Accountant Executive (VQ LEAD), EXL Services, Infopark, Kochi

Jul 2022 – Oct 2025

- Optimized financial operations, increasing invoice processing efficiency by 50% and achieving 100% payment accuracy through effective vendor query resolution.
- Strengthened financial analysis and credit evaluation by developing CWS tools and Excel macros; leveraged Excel, SAP, and VLOOKUP for risk assessment, aging analysis, and financial reporting.
- Managed unvouchered reports and weekly payment cycles, ensuring audit readiness, accurate financial records, and timely execution of payments; enhanced controls through streamlined workflows and payment verification processes.
- Improved customer satisfaction by streamlining communication channels and reducing response times.
- Mentored junior team members, supporting skill development and fostering future leadership within the organization.

### Senior Accountant, Swipe wire Technologies, Chennai

Oct 2025 – Dec 2025

Streamlined financial reporting processes to improve efficiency during month-end closing. Assisted with GST filings and supported vendor bank account setup. Verified vendor invoices to ensure accuracy and timely payments. Utilized Excel macros to automate tasks and enhance overall operational efficiency.

## Projects

### MCom project: A project on working capital management and its impact on profitability through ratio analysis.

- Forensic Accounting Study of ITC LTD. – Conducted forensic accounting on ITC Ltd using Ratio analysis, Benford's Law, and Beneish M Score.
- Corporate Financial Reporting - Forecasted corporate entities' positions with ROA and NOPAT valuation models.
- Financial Analysis – executed comprehensive analysis of companies using SWOT, Ratios peer comparison & valuation.

## Achievements

- Star player of EXL Services 2022-23 for exhibiting a unique sense of responsibility in achieving all performance criterions always.
- Talent Hunt Winner - Conducted by Dr. Ambedkar Institute of Management Studies, Shiksha.
- Active NSS Volunteer- Participated in various community service activities.
