👤 PROFILE

Detail-oriented and performance-driven E-commerce Operations Specialist with 3+ years of experience at Amazon India. Proven ability in product listing, catalog management, pricing analytics, and process improvement across high-volume digital marketplaces. Adept at using data and cross-functional collaboration to drive operational efficiency. Passionate about Indian fashion categories like sarees, and skilled in managing large catalogs with accuracy and speed.

💼 PROFESSIONAL EXPERIENCE

11/2021 – 02/2025
Chennai **Amazon India Pvt Ltd**
Retail Process Associate

- Trained and onboarded over 10 new associates, enhancing team productivity.
- Handled end-to-end catalog operations for thousands of SKUs, ensuring accuracy in listing, pricing, and product data.
- Maintained 99.8% accuracy across 500+ daily product listings using internal tools and Excel-based tracking systems.
- Collaborated with category managers and content teams to resolve listing issues, improve content quality, and maintain catalog hygiene.
- Conducted regular price audits, monitored discrepancies, and implemented corrective actions.
- Mentored and trained 10+ new associates, reducing onboarding time by 30%.
- Supported global teams with backend operations, data entry, and process standardization.
