I am a dedicated and resourceful Talent Acquisition Consultant with 1.8 years of specialized experience in both IT and Non-IT recruitment, employee relations, HR administration, and team leadership. I excel in sourcing, screening, interviewing, and onboarding top-tier candidates across diverse industries. My skills in networking, both offline and online, enable me to build strong connections with a wide range of talent sources. Whether working autonomously or as an integral part of a collaborative hiring team, I consistently deliver superior results in candidate placement and client satisfaction.
