ABOUT ME

Dedicated and detail-oriented professional with the capacity to easily handle a fast-paced work environment. With 2.5 years of experience in the nurse recruitment industry, I have developed a strong foundation in documentation management, compliance, and candidate support. I'm great at motivating and guiding others to reach their greatest potential. I actively look for opportunities to advance my knowledge and abilities while fostering the development of people around me.

WORK EXPERIENCE

HR COORDINATOR

27/06/2023 to Till date

SIMONS INTERNATIONAL

- Managing the collection, verification, and handling of all documentation required for nurse recruitment.
- Implementing efficient document management processes to ensure the completeness and accessibility for reviewing.
- Conducted thorough verification checks to confirm the quality and validity of documents, licenses, and certifications.
- Maintaining detailed records, reports, and documentation to track and monitor the performance, and communicating the findings to the team and management.
- Coordinating recruitment processes for nurses from sourcing and screening.
- Handling proper communication with GCC clients and maintaining recruitment related records.
- Developing and implementing strategic recruitment plans to meet client needs and achieve recruitment targets within established timelines.
- Providing leadership, guidance, and support to team members, including training and performance management.

DOCUMENTATION EXECUTIVE

01/11/2021 - 20/04/2023

AFFINIKS INTERNATIONAL

- Carrying out the paperwork required and ensures that the visa and compliance related documents are maintained in an organised and centralized manner.
- Verify the accuracy and completeness of all documents submitted by the nurses.
- Responding to inquiries from the nurses and clients and fixing problems with their paper works.
- To guarantee smooth operation, collaborate closely with all departments and UK clients.
- Maintaining customer documents and retrieving them when needed by management.
- Acted as the primary point of contact for nurses and worked as a mediator between candidates and UK clients by providing information, guidance, and support throughout the recruitment process.
