Talent Acquisition Specialist

WORK EXPERIENCE

Tamcherry Technologies - Talent Acquisition Specialist
(Kochi, Kerala)
April 2024– Till Today

Sourcing Candidates

- Understanding the job requirement.
- Utilize multiple platforms (Career portal, Cepal, Naukri and LinkedIn, referrals) to source potential candidates.
- Build and maintain a candidate pipeline for current and future hiring needs.

Screening and Interviewing

- Conduct initial screenings via phone, email, or video to assess candidates' qualifications, experience, and cultural fit.
- Schedule and coordinate interviews between candidates and clients.
- Provide detailed feedback to candidates after the interview process.

Client Relationship Management

- Work closely with clients to understand their hiring needs, company culture, and position requirements.
- Offer expert advice on talent market trends, salary benchmarks, and hiring strategies.
- Regularly communicate with clients to update them on recruitment progress and challenges.

Candidate Management

- Guide candidates through the entire hiring process, including onboarding.
- Maintain regular follow-up with candidates and provide them with timely updates on their application status.
- Build and nurture long-term relationships with high-potential candidates for future opportunities.

Developing Job Descriptions

- Collaborate with clients to create accurate and appealing job descriptions.
- Post job ads on relevant platforms and manage the response.

Data Tracking

- Track recruitment metrics to evaluate hiring effectiveness.
- Regularly update databases and maintain records of candidate information.

Negotiation and Offer Management

- Handle salary negotiations and job offers on behalf of clients.
- Ensure candidates' expectations align with the offer and manage any conflicts or concerns.

Employer Branding

- Promote the company and the clients as attractive places to work through employer branding strategies.

Documentation

- Manage documentation such as employment contracts and offer letters.

Cognizant Technology Solutions - HR Coordinator

Chennai- Tamil nadu (WFH)
September 2021– March 2024

Recruitment Support

- Assist in the recruitment process by posting job ads, screening resumes, and scheduling interviews.
- Coordinate interview schedules between candidates and hiring managers.
- Help with pre-employment activities such as background checks, reference checks, and preparing offer letters.

Onboarding and Offboarding

- Facilitate the onboarding process by preparing new hire documentation, coordinating orientation programs, and ensuring all necessary paperwork is completed.
- Assist with employee offboarding by managing exit interviews, retrieving company assets, and preparing termination documentation.

Administrative Support

- Provide general administrative support to the HR department, including scheduling meetings, answering employee queries, and managing communication between staff and HR.
- Maintain and update employee records, both in digital and physical formats.

Employee Records Management

- Maintain accurate and up-to-date employee information in HR databases (HRIS).
- Handle sensitive and confidential employee information in compliance with company policies and legal regulations.
- Ensure proper documentation for leaves, promotions, transfers, and disciplinary action.

Payroll and Benefits Administration

- Coordinate with the payroll department to ensure timely and accurate processing of employee pay checks.
- Assist employees with benefit-related queries, and help in enrolling employees in health, retirement, and other company-sponsored programs.
- Ensure that payroll changes (salary adjustments, bonuses, deductions) are processed correctly.

Employee Relations

- Serve as a point of contact for employee inquiries related to HR policies, benefits, and company procedures.
- Help organize employee engagement activities like wellness programs, and other sessions.

Training and Development Coordination

- Help in coordinating employee training and development programs by organizing sessions, tracking attendance, and collecting feedback.
