SUMMARY

Former PHP Developer with experience in developing and maintaining web applications using PHP, Laravel, CodeIgniter, MySQL, HTML, CSS, and JavaScript. Strong foundation in web development, databases, and application logic.

Currently transitioning into Cybersecurity with a focus on networking fundamentals, security concepts, and protecting web applications. Combining software development experience with cybersecurity knowledge to build skills in areas such as network security, vulnerability assessment, and security operations.

EDUCATION

EKNMMPTC Kalliasseri

Diploma in Computer Hardware Engineering, State Board of Technical Education

Year of Passing: 2021

Govt. Town H.S.S

Higher Secondary Education (Plus Two – Commerce), Board of Higher Secondary Examination

Year of Passing: 2018

Azhikode Higher Secondary School

SSLC, Board of Higher Secondary Examination

Year of Passing: 2016

EXPERIENCE

PHP Developer

03/11/2023 – 30/09/2024

Qzaak Technologies

Responsibilities:

- Developed and maintained web applications using PHP and MySQL.
- Worked with Laravel and CodeIgniter frameworks.
- Created responsive frontend interfaces using HTML, CSS, and JavaScript.
- Developed backend functionality and database-driven applications.
- Designed and optimized SQL queries.
- Debugged application issues and improved system performance.
- Collaborated with development teams to deliver projects.

PROJECTS

Web Application Development Projects

- Built dynamic web applications using PHP and MySQL.
- Implemented authentication, CRUD operations, and database management.
- Developed frontend and backend features.
- Worked on application debugging and maintenance.

TECHNICAL SKILLS

PHP

JavaScript

HTML5

CSS3

Laravel
CodeIgniter
React.js (Basic)
MySQL
Database Management
SQL Queries
Networking Fundamentals
TCP/IP Concepts
OSI Model
IP Addressing & Subnetting
DNS & HTTP/HTTPS
Basic Network Security Concepts
Cybersecurity Fundamentals
MVC Architecture
CRUD Operations
Responsive Web Development
Web Application Development
VS Code
Git/GitHub
XAMPP

CERTIFICATIONS

Web Developing in Python — Soften Technology, Kadavanthara, Ernakulam — Year: 2022

CYBERSECURITY LEARNING & CAREER TRANSITION

Self-Learning Cybersecurity Fundamentals

Currently studying: - Computer Networking Basics - TCP/IP Networking - OSI Model - Network Protocols - IP Addressing - DNS, HTTP/HTTPS - Basic Security Principles - Common Web Vulnerabilities - Cybersecurity Career Fundamentals

Goal: To transition into a Cybersecurity role by combining my software development background with security knowledge.

ADDITIONAL INFORMATION

Date of Birth: 06 January 2001

Languages: - Malayalam - English

DECLARATION

I hereby declare that the above information is true and correct to the best of my knowledge.

Place: Kannur Date: 21/06/2026
