WORK EXPERIENCE

[1+ years]

WEB DEVELOPER

DIGITAL VOLCANOES

KERALA, INDIA

Dec 2024 – Present

- Architected and deployed responsive static and dynamic web applications using **Laravel, PHP and MySQL**, encompassing complex e-commerce ecosystems
- Collaborated with interns and peer developers, fostering skill development and **accelerating team output by 25%**
- Orchestrated **independent client engagements**, from initial consultations to project delivery, ensuring alignment with stakeholder expectations and timely resolutions
- Harnessed **AI tools** through effective prompting strategies to expedite **code generation**, **automate routine tasks**, and enhance debugging efficiency, **resulting in 30% faster project timelines** and elevated output quality
- Directed hosting infrastructure across platforms including Hostinger, GoDaddy, HostGator and cPanel, handling **domain registrations**, **email configurations**, and **server migrations**
- Partnered with **SEO teams** to engineer **search-optimized architectures**, incorporating **meta tags**, **schema markup**, and **mobile-first designs** to elevate organic search rankings
- Integrated third-party APIs for enhanced functionality, such as **google authentication** and analytics tools, ensuring seamless data flow and compliance with industry standards
- Conducted rigorous **debugging and quality assurance** processes, **reducing production bugs by 40%**

WEB DEVELOPER INTERN

TRACKGENESIS

ONLINE

Nov 2024 – Dec 2024

- Contributed to **MERN stack projects** by developing backend services with Node.js and Express.js, focusing on **API endpoints for data retrieval and user interactions**
- Assisted in frontend enhancements using React.js, ensuring **cross-browser compatibility**
- Participated in code refactoring sessions, applying MongoDB optimizations to enhance **query efficiency in applications**
- Supported team deployments via Git workflows, gaining exposure to **collaborative environments**

PROFESSIONAL SKILLS

- Technical Skills:** PHP, SEO Optimization, Node JS, React JS, MongoDB, Express JS, Manual Testing, CSS3
- Tools:** Git, Web Hosting (Hostinger, HostGator, GoDaddy, cPanel, Bluehost), AI Tools
- Soft Skills:** Strategic Communication, Innovative Problem Solving, Team Leadership, Client Relationship Management, Time Optimization,
