SUMMARY

A highly experienced MERN, LAMP, Python developer with a strong focus on data structures, encryption algorithms, and general backend engineering. Proven track record of implementing robust solutions and skilled in AWS cloud services (EC2, S3, EBS, Load Balancing) and DevOps methodologies (Git,Jira, Chef).

EXPERIENCE

Senior Developer MERN and Python, Nibhas IT Solutions

09/2025 – 11/2025

KL

- Engineered and deployed a full-stack Internal Job Portal for HRD Team , serving over 200 users, utilizing the MERN stack with JWT authentication and Redux for state management.
- Python application development for native desktop application for b2b invoice generation and management system , supporting versatile environments.
- Migrated a legacy monolithic backend to a modular microservices architecture using Fast API, improving scalability and developer onboarding time.
- Optimized critical API endpoints by implementing database indexing and refining aggregation pipelines, reducing average response time .
- Other skills : C#,flutter flow,flutter,.net,Java Spring,Sql Lite,git, Jira, CI CD,Confluence

flutter flow see developer, Manappuram Finance

08/2024 – 02/2025

porting applications from .net to flutter flow

KL

Assistant Systems Engineer, Tata consultancy services

01/2021 – 12/2023

MH

- Asst System Engineer AWS Linux administration and troubleshooting
- Java , AWS instances (EC2) and Storage management (EBS, S3)
- Splunk logging and management
- Operation and DevOps with Jira, Chef
- IP networking stack, restful API, Banking Domain SSL security
- Encryption using TLS, redhat Linux system, file operation and management, Git , MYSQL
- Load balancing using a gateway in AWS, ServiceNow, and change management

PHP Full Stack Developer, SIES SDC CELL

04/2018 – 05/2020

PHP Full Stack Developer

MH

- Developer, testing, black box and white box testing, interface testing
- Database testing, functional programming, PHP, JavaScript, HTML, CSS
- Interface design, CSS styling, live server, database, functional testing

EDUCATION

MSC Machine Learning, *SIES College of Arts Science and Commerce*

08/2018 – 05/2020

Mumbai

Skills

- Java
- AWS
- Data Structures
- React
- Python
- DevOps
- Angular
- prompting / gen ai

COURSES

Fullstack Developer, *LinkedIn*

Networking fundamentals, *Udemy*

c programming, *npTEL*

oracle oci cloud, *Oracle*

CERTIFICATION

- NPTEL (c programming)
- Oracle (cloud OCI)
- DELF French A2
