LANGUAGES

- English
- Malayalam

- Collaborated closely with clients to gather requirements, refine designs, and plan technical solutions.
- Supported front-end developers with API integration and ensured seamless back-end connectivity for travel projects.

PHP Developer

06/2022 – 11/2022

Planetmedia, Kochi, Kerala, India

- Developed Shopify e-commerce stores using Theme Kit/CLI, customizing themes and storefront UX.
- Implemented, tested, and debugged third-party Shopify apps to enhance store functionality.
- Built e-commerce sites for multiple industries including Jeans, Wine, Safety Equipment, and Gifting.
- Prepared project plans, technical documentation, and end-to-end development workflows.
- Worked collaboratively with cross-functional teams to deliver customized Shopify and PHP-based solutions.

Junior Web Developer

03/2018 – 03/2019

Induniva Software Solutions, Kochi, Kerala, India

- Developed and maintained web applications using PHP and Yii2 Framework under XAMPP architecture.
- Created simple dynamic content websites, including Dental Association and organization websites.
- Contributed to a large-scale business-listing platform, building modules for business and user registration.
- Conducted testing, optimization, and debugging to improve system performance.
- Supported senior developers in planning, coding, and deploying scalable application components.

PHP Programmer

01/2017 – 12/2017

Greenfoss Technologies, Kochi, Kerala, India

- Participated in developing new and existing software products using PHP, JavaScript, and Yii2 Framework.
- Built and maintained modules for a Service Management System including registration, tool allocation, quotation, and invoicing.
- Designed and implemented MySQL database structures for multiple application modules.
- Ensured clean, optimized, and maintainable code following best practices and internal coding standards.
- Collaborated with project teams to deliver high-quality web solutions within timelines.
