

# M.KISHORE KUMAR

Senior PHP Developer

## PROFILE SUMMARY

Results-oriented **Senior PHP Developer** with over 9 years of extensive experience in web development and project leadership. Proficient in a diverse range of technologies including **Laravel, Core PHP, CakePHP, Symfony, and OroCRM**. Currently at SimpliAxis, I specialize in building robust web applications and leading onboarding initiatives for new team members. My career includes significant contributions at renowned companies like IZMO Ltd and Impelsys, where I developed microservices and CRM systems. I hold a B.E. in Computer Science and Engineering, and possess strong skills in MySQL, JavaScript, HTML/CSS, REST APIs, and Docker. I am seeking a challenging position as a Developer or Team Leader to leverage my expertise in crafting innovative software solutions.
