Mobile & Web App Developer

Korankunna, Kelloor (Post), Mananthavady, Wayanad, Kerala, India, Pin: 670645

+91 8943395228 | mujthab003@gmail.com

Career Objective

Dedicated and self-motivated Mobile & Web App Developer with over 7 years of experience in delivering innovative solutions using PHP, Laravel, CodeIgniter, and Ionic frameworks. Seeking to contribute technical expertise and leadership skills to drive organizational growth while delivering high-quality, scalable applications.

Professional Experience

Senior PHP Developer

Trawex Technologies Pvt Ltd

Dec 2022 – Present

Bangalore, India

- Developed and maintained APIs and websites for global B2B travel technology solutions, integrating with major Global Distribution Systems (GDS).
- Built and optimized platforms for flight, hotel, car rental, and holiday package bookings.
- Integrated third-party APIs and enhanced website functionality for clients like travelnext.biz, jumpeople.com, and xlusivetravel.com.

Hybrid App Developer

Cyfer Solutions

Jan 2019 – Nov 2022

Calicut, India

- Designed and developed cross-platform mobile applications using Ionic and Laravel frameworks.
- Created and managed databases, APIs, and admin panels for mobile and web applications.
- Deployed apps to Play Store and App Store, ensuring seamless client communication and requirement fulfillment.

Web Developer

Global Software Ventures LLP

Jun 2015 – Jun 2016

Mananthavady, India

- Developed web applications using PHP and MySQL, focusing on user-friendly interfaces and efficient backend processes.
- Collaborated with teams to deliver projects meeting client specifications and deadlines.

Internship

.NET Developer

Spectrum Softech Solutions Pvt. Ltd

Aug 2014 – Jan 2015

Kochi, India

- Gained hands-on experience in .NET development, contributing to web application projects.
- Learned software development lifecycle processes and collaborated on debugging and testing.
