Highly skilled PHP developer with over 10 years of experience creating robust, user-friendly web applications and dynamic websites. Proficient in the entire software development lifecycle, from concept to delivery. Adept at collaborating with cross-functional teams and clients to drive project success. Strong expertise in PHP, MySQL, and modern web technologies, with a proven track record of delivering scalable and efficient solutions. Committed to staying current with emerging industry trends and technologies. I am seeking new opportunities to leverage my expertise in delivering exceptional web solutions.
