Having 10 years experienced web development, with expertise in PHP, CodeIgniter, Laravel, Magento, OOPS, MySQL, Ajax, jQuery, Bootstrap, HTML 5.0, CSS 3.0, JavaScript, Vue.js, React.js, and Flutter. I have done MCA. I was working on travel technology, Mobile Recharge, DTH recharge, Money Transfer etc.

I am a highly skilled Web Application Developer with 9 years of experience in PHP, Laravel, CodeIgniter, and Magento, along with strong expertise in MySQL, JavaScript, Ajax, jQuery, Bootstrap, and API integrations. I have successfully delivered projects in diverse domains such as travel technology, mobile recharge, money transfer, e-commerce, CRM, ERP, and payment gateways. With a proven track record of handling end-to-end development, API integration, and team coordination, I bring strong problem-solving abilities, quick learning skills, and a commitment to delivering high-quality solutions. My experience in working with cloud platforms like AWS, version control (GitHub), and REST APIs further strengthens my capability to build scalable and efficient applications. I am now seeking opportunities that will allow me to contribute my technical expertise while ensuring career growth and adding value to the organization.
