## SUMMARY

---

I am a B.Sc. Information Technology graduate with strong communication and problem-solving skills. I have completed an internship as a Full-Stack Developer using PHP and Laravel, where I gained hands-on experience in web development. I am passionate about creating responsive, user-friendly websites and continuously improving my technical and creative abilities to build innovative web solutions.

## EDUCATION

---

- |             |              |          |
|-------------|--------------|----------|
| • HTML      | • CSS        | • CSS3   |
| • Bootstrap | • JavaScript | • JQuery |
| • PHP       | • Laravel    | • MySQL  |
| • AJAX      |              |          |

## INTERNSHIP

---

### FULL-STACK DEVELOPER

•Completed a **6-month internship at Get Innovative Company**, where I gained hands-on experience in PHP and Laravel development. Worked on real-time web development projects, improving my skills in coding, debugging, and teamwork.

## PROJECTS

---

### Fashion E-Commerce Website

•Developed an online fashion shopping website using Laravel, enabling users to browse dresses, add products to cart, and place orders. Implemented secure user authentication and product management features.

### Interactive Ice Cream Ordering Website

•Developed an interactive web application that allows customers to browse, customize, and order ice creams online. Designed an engaging user interface with responsive design for smooth navigation on all devices.

## CERTIFICATE

---

•Recognized as 2nd place winner in college chess event.

•Took part in debugging competition at college level.

## LANGUAGE

---

•English

•Tamil

•Malayalam
