SUMMARY

Senior Full Stack Developer with 7+ years of experience in building scalable web applications using React.js and PHP (Laravel). Expertise in system design, REST API development, and performance optimization. Proven ability to lead teams, deliver high-traffic applications, and drive end-to-end development from architecture to deployment..

KEY SKILLS

- **Frontend/Backend:** React.js, HTML5, CSS3, JavaScript, jQuery, PHP (Laravel, Yii, Codeigniter)
- **Concepts:** System Design, Scalable Architecture, Performance Optimization, Agile/Scrum
- **State Management:** Redux / Context API
- **Database:** MySQL, PostgreSQL, Oracle
- **Tools:** Git, Jira, CI/CD pipelines
- **API&Security:** REST APIs, API Design, JWT, OAuth

WORK EXPERIENCE

Software Engineer | Neosoft Technologies | Bengaluru | 2021 – 2025

- Led end-to-end development of a high-traffic insurance platform handling 10,000+ concurrent users using React.js and Laravel.
- Implemented reusable react component architecture, improving development efficiency by 30%
- Designed scalable system architecture and optimized REST APIs, reducing response time by 25%
- Conducted code reviews and mentored a team of 3 developers.

PHP Developer | Twinsway Technology | Trivandrum | 2020 – 2021

- Developed scalable REST APIs supporting real-time updates for 1,000+ employees.
- Designed dynamic shift management system, reducing manual effort by 40%.
- Developed payroll system with accurate salary computation for 20+ employees.

PHP Developer | Gescis Technology | Trivandrum | 2018 – 2020

- Developed ERP backend modules for school ERP system used by 90+ institutions.
- Optimized MySQL queries, improving performance by 20%.
- Designed scalable database structures and APIs.

EDUCATION

B.Tech | Computer Science Engineering | University of Kerala | 2013–2017

- LBS Institute Of Technology for Women
- Final CGPA: 6.9

CERTIFICATIONS

- React – The Complete Guide (Udemy, 2024)
- Modern JavaScript Course (Udemy, 2024)
- Agile Scrum Fundamentals (Udemy, 2024)

LANGUAGES KNOWN

English (Fluent), Malayalam (Fluent), Hindi (Fluent)
