PROFESSIONAL SUMMARY

Laravel Developer with 5+ years of experience building and optimizing scalable ERP and CRM systems. Proficient in PHP, Laravel, MySQL, REST APIs, and backend performance optimization. Hands-on experience with WebSockets, queues, AJAX, and production-level debugging. Delivered measurable performance improvements through query optimization, indexing, and eager loading. Exposure to React for frontend development. Awarded Best Performance at Axel Technologies.

TECHNICAL SKILLS

Languages: PHP, JavaScript

Frameworks: Laravel, CodeIgniter, React (Basic)

Database: MySQL – Query Optimization, Indexing, Joins, Eager Loading

Backend: REST APIs, MVC Architecture, OOP, WebSockets, Laravel Queues, AJAX, API Integration

Security & Auth: JWT, Authentication, Authorization, CSRF

Testing & Tools: Git (Branching, Merging), Postman, Debugging

DevOps (Basic): Docker, CI/CD Concepts

Systems: ERP Systems, CRM Systems, ZATCA E-Invoicing, Production Support, Performance Optimization

EXPERIENCE

Direct Axis Technology

May 2025 – Present

Software Engineer / Laravel Developer

Calicut, Kerala

- Develop and maintain scalable ERP & CRM systems using PHP, REST APIs, and MySQL, supporting enterprise-level business workflows.
- Improved database query performance by 35–40% through strategic indexing, query tuning, and eager loading, reducing average API response time from 4s to under 1.5s.
- Reduced page load time from 6–7s to under 2s by implementing AJAX-based dynamic loading and optimizing backend query execution.
- Design and maintain RESTful APIs for seamless frontend-backend and third-party service integration, improving API response time by 30%.
- Implemented ZATCA e-invoicing integration in compliance with Saudi Arabia’s electronic invoicing regulations.
- Contribute to React-based frontend features, enabling full-stack delivery capabilities.

Axel Technologies Pvt Ltd

Nov 2022 – Apr 2025

Senior Laravel Developer

Calicut, Kerala

- Architected and developed a full-featured CRM system using Laravel, MySQL, and REST APIs for managing 1000+ leads and clients, improving sales team efficiency by 30%.
- Designed and implemented real-time report export progress tracking using WebSockets (Laravel Echo + Pusher) and queue-based processing, enabling live percentage updates during report generation and reducing server polling load by 40%.
- Engineered SMS, email notification, and automated follow-up systems via API integrations, reducing manual follow-up effort by 50%.
- Utilized Laravel Queues for asynchronous background job processing, decoupling heavy tasks and reducing page load time by 50%.
- Applied query optimization, indexing, and eager loading across MySQL databases, reducing slow query count by over 60%.
- Resolved critical production incidents and support tickets under SLA, maintaining 99%+ system uptime.
- Managed codebase using Git with structured branching, merging, and code review practices.

Signature Software Lab

Jan 2021 – Oct 2022

PHP / CodeIgniter Developer

Malappuram, Kerala

- Developed PHP web applications using CodeIgniter following MVC architecture and clean coding standards.
- Led a small development team, managing task allocation, delivery timelines, and code quality reviews.
- Built backend modules with MySQL database operations, business logic layers, and REST API integrations.
- Developed responsive, cross-browser-compatible UIs using HTML, CSS, and JavaScript.

KEY ACHIEVEMENTS

- Best Performance Award** – Axel Technologies Pvt Ltd, recognizing exceptional technical contributions and delivery excellence.
- Reduced page load time from 6–7s to under 2s and improved query performance by 35–40% through targeted backend optimizations.
- Successfully delivered ZATCA e-invoicing integration ensuring full regulatory compliance for enterprise clients.
- Developed real-time report export progress tracking using WebSockets and Pusher, allowing users to monitor live export percentage updates seamlessly.

EDUCATION

Seethi Sahib Memorial Polytechnic College

Tirur, Kerala

Diploma in Computer Science
