

Suyambu Poovalingam

PHP Technical Lead | E-commerce & ERP Expert Chennai, Tamil Nadu, India | +91 9342499309 | suyambusuya1996@gmail.com | [\[LinkedIn Profile\]](#)

PROFESSIONAL SUMMARY

Strategic **Technical Lead with 8+ years of experience** specializing in high-scale **E-commerce and ERP solutions**. Expert in architecting modular systems using **PHP, Laravel, and Magento 2**. Proven track record in leading digital transformations, including complex migrations from legacy systems (Drupal) to modern stacks (Laravel 12 + React). Adept at managing cross-functional teams, mentoring junior developers in Flutter, and delivering event-driven, headless architectures on AWS and Azure.

TECHNICAL SKILLS

- **Core Tech:** PHP (Expert), Laravel 12, Magento 2, Node.js, Python.
 - **Frontend & Mobile:** React.js (Starter Kits), Vue.js, Flutter (Dart), JavaScript, Tailwind CSS.
 - **ERP & E-commerce:** Custom ERP Development, Magento 2 Open Source/Commerce, D365 Integration.
 - **Cloud & DevOps:** AWS, Azure, Google Cloud Platform (GCP), Docker, Jenkins, CI/CD.
 - **Databases:** MySQL, MSSQL, MariaDB, MongoDB.
 - **Methodologies:** Agile/Scrum, Headless Architecture, API-First Design (REST/GraphQL).
-

KEY PROJECTS

Blooms Academy | Project Lead (Laravel & React)

- **Technologies:** Laravel 12, React.js Starter Kit, MySQL, Tailwind CSS.
- **Description:** Spearheaded the comprehensive migration of a legacy educational platform from Drupal to a modern Laravel 12 architecture.
- **Key Contributions:**
 - Architected the system using a React-based starter kit to ensure a high-performance, responsive UI.

- Led the data migration strategy, ensuring zero data loss during the transition from Drupal's database schema to Laravel.
- **Mentorship:** Conducted technical training sessions for junior developers on **Flutter mobile app development** to expand the academy's digital reach.

SSM (Textile Industry Marketplace & ERP) | Project Lead

- **Technologies:** Magento 2, Laravel, GraphQL, REST API, MySQL.
- **Description:** Developed a dual-engine solution for a major textile player, featuring a B2C Marketplace and a custom-built ERP.
- **Key Contributions:**
 - **Magento:** Built the online marketplace presence using the Porto theme, integrating Amazon, Kiabi, and Showroomprivee.
 - **Laravel ERP:** Developed a custom **ERP solution** to manage internal textile production, inventory, and supply chain workflows.
 - Optimized data synchronization between the Magento storefront and the Laravel ERP via GraphQL.

Timews (B2B E-commerce) | Project Lead

- **Technologies:** Magento 2, Microsoft Dynamics 365 (D365), Node.js, MS SQL.
- **Key Contributions:** * Engineered a complex B2B pricing engine allowing for group-based discounts and real-time D365 synchronization.
 - Translated high-level business requirements into scalable technical modules.

Promofit.nl (Dutch E-commerce) | Senior Developer

- **Technologies:** Magento 2, PHP, Third-party API Integration.
- **Key Contributions:** Developed custom logic for product personalization (logos/messaging) and secured European payment gateway integrations.
