ABOUT ME

I am a motivated and versatile professional with a diverse background in customer service, warehouse operations. With 2 years of experience at McDonald's and a year at Hudson's Bay, I have honed my skills in team collaboration, problem-solving, and operational efficiency.

EXPERIENCE

Crew Trainer

McDonald's Canada

2021-2023

- Conduct Training Sessions: Facilitate onboarding and training for new crew members, ensuring they understand company policies, procedures, and customer service standards.
- Resolve Issues: Address customer complaints and concerns promptly, working to maintain a positive dining experience
- Assist Management: Support management in various administrative tasks related to staffing, training, and operational efficiency.

Warehouse Associate

Hudson's Bay, Toronto

2021 – 2022

- Receiving and Stocking: Receive shipments, inspect products for quality and accuracy, and stock items in designated locations.
- Warehouse Organization: Maintain a clean and organized warehouse environment, optimizing space and ensuring safe storage of goods.
- Communication: Communicate effectively with supervisors and colleagues to coordinate activities and resolve issues.
