EDASSERY(H) MUTTICHUR, KANDASSANKADAVU P.O THRISSUR

EDUCATION

APJ Abdul Kalam Technological University (KTU)
B Tech (Electrical and Electronics)

Expected Graduation Date June 2024
Universal Engineering College, Thrissur, Kerala

PROJECT: INTERNET OF THINGS BASED HOME AUTOMATION.

"This project presents an Wireless Home Automation system(WHAS) using IOT is a system that uses computers or mobile devices to control basic home functions and features automatically through internet from anywhere around the world, an automated home is sometimes called a smart home. It is meant to save the electric power and human energy. The home automation system differs from other system by allowing the user to operate the system from anywhere around the world through internetconnection."

SKILLS

- Troubleshooting and Repairs
- Machinery Operation and Maintenance
- Team Collaboration
- Teamwork
- Continuous Learning
- Quick Learning
- Adaptability
- Communication Skills
- Project Management
- Attention to Detail
- Ethical Considerations

CERTIFICATES

- Certificate of Internship in Embedded System from CSEED
- Certificate in Lithium Battery Workshop BY HYKON INDIA LTD
- Webinar on Career Guidance in Electric Vehicle Sector
- Two-Day Workshop on Electric and Future Mobility
- Intership Training in CNS/ATM Dept. in AAI, Trivandrum International Airport

SOFTWARES

Revit MEP, AutoCAD, Microsoft Office (Excel, Word, PowerPoint), Matlab, Simulink, LaTeX

LANGUAGES

Malayalam (Native Language), English (Professional proficiency), Hindi (Limited working proficiency), Tamil (Limited working proficiency),
